A LETTER FROM THE MAYOR

January 1, 2013

Dear Resident of the City of Charleston:

It gives me great pleasure to present our annual brochure with all of the wonderful activities, programs, and events that the City of Charleston has to offer you and your family through the Department of Recreation. We continue to attract a record number of participants to join us in swimming lessons, sports, summer camps, special events, and after school programs. More importantly, we understand that all citizens are looking for quality recreation opportunities at economical prices.

Our city was honored by the South Carolina Recreation and Parks Association in 2012 for Excellence in Programming and we are proud of the wide variety of activities and programs for our diverse community. I encourage each of you to take the time to get active and improve your level of fitness. Join the fun at www.lightenupcharleston.org as you sign up to lose weight, ride your bike on the greenway, run at Hampton Park on a Saturday morning, take up a lifetime sport like tennis or golf, swim laps, or just enjoy a walk through a park. We will strive to continue to provide to you wonderful opportunities for fun! I invite each of you to take part in our recreation programs throughout the year.

Most sincerely yours,

Joseph P. Riley, Jr.
Mayor, City of Charleston

A LETTER FROM THE DIRECTOR

January 1, 2013

Dear Resident of the City of Charleston:

The hard working staff at the City of Charleston is delighted to present our new calendar of programs, events, and activities for each of you to participate in throughout our beautiful city. We continue to make "value" the most important part of our programs. The introduction of our recreation registration software, Rec Trac, has enabled many of you to join in on classes and activities through your home computer and we hope that you will continue to enjoy this time and money saving feature. It is our pleasure to plan and manage programs for everyone in our community and we invite you to take advantage of all of our parks, playgrounds, dog runs, swimming pools, walking and biking trails, tennis courts, basketball courts, and athletic fields. We enjoy serving the community and I look forward to seeing you out and about this year.

We look forward to serving you in 2013!

Permits are subject to approval. If your event request is for a street blockage or parade, you will need additional permits from Traffic and Transportation and the Charleston Police Department. These permits may be completed at the main Recreation office (823 Meeting St.) as well. Any event that expects a large crowd, impact on neighborhood, alcohol, or amplified sound is required to have a special event permit. Allow a minimum of 45 days for this process. Special event permitting has policies and standards, effective in 2010, that may require a permit applicant to present the event to the Special Event Committee (see below) before the permit is approved.

Please refer to the official website www.charleston-sc.gov/recreation for details.

**Fees for the permit are based
on the complexity of the event**

**EVENTS (INCLUDING WEDDINGS)
HELD AT THE WATERFRONT PARK OR AT WHITE POINT
GARDEN ARE LIMITED TO 25 PEOPLE, IN TOTAL,
AT THE EVENT (THIS INCLUDES THE BRIDE AND GROOM).**

- 1.) Contact the City of Charleston Recreation Department at (843) 724-7327 at least 14 business days prior to the event. Some events are required to submit a special event permit 45-120 days prior to the event depending on the complexity of the application.
- 2.) Verify if the date is available.
- 3.) Apply for a permit at 823 Meeting Street, Charleston, SC 29403
- 4.) Dates are secured once assigned fees are paid (Check and Visa/Mastercard accepted, no cash) and an approved permit is issued. Certain facilities and their availability can be viewed online at <http://rectrac.charleston-sc.gov>

SPECIAL EVENTS COMMITTEE

This committee is comprised of several different City of Charleston departments with the intention of making the permit process as smooth and decisive as possible. Once a permit is completed, the applicant may need to appear before the Special Events Committee for approval. Meeting bi-monthly, this committee decides on a number of permits including weddings, festivals, athletic events, and other group gatherings. Should you be asked to appear in front of the Special Events Committee, please bring all materials related to your event, including a site plan, to present to the committee.

FREE AGENT INFORMATION

Individuals (players) who don't have a connection with a team, but would like to join any of the Adult Sports Leagues can "get connected" by being placed on the "free agent list". We ask for the players name, birthdate, contact information and level of skill and experience (former pro, college, high school, club, etc.) Prior to the start of each season, we have an organizational meeting and practice with all the free agent players. At the organizational meeting, the league goes over sport specific policies and rules. We then register each free agent by collecting player information, having the free agent sign liability forms, and collect the proper fees. Additionally, the free agent players pick their own team names, team colors, and team captain.
